

Planning Applications within Edinburgh

WEEKLY PLANNING BULLETIN

Date: **23 January 2017**

The Weekly Planning Bulletin is organised by ward. Under each ward you will find the following sections:-

- Section 1 – Recently registered planning applications;
- Section 2 – Proposal of Application Notices received;
- Section 3 – Proposals for tree work in conservation areas;
- Section 4 – Proposals for tree works where there is a Tree Preservation Order;
- Section 5 – Prior Notification of Telecommunications.
- Section 6 – Certificate of Lawfulness Existing.
- Section 7 – Certificate of Lawfulness Proposed.

If there are no applications or notices in a ward, the space underneath will be blank.

Section 8 at the end of the document contains consultations from other planning authorities.

Planning decisions are on a separate document.

Where can I see the documents?

You can view the plans, forms and other documents at [Planning and Building Standards Online Services](#).

Alternatively, you can view them at the Planning and Building Standards enquiry office at Waverley Court, 4 East Market Street, EDINBURGH EH8 8BG. Opening times are 8:30 - 17:00 Mon-Thurs, 8:30 – 15:40 Friday.

The Planning Help Desk has a duty planner ready to help you, if you need assistance understanding the plans. Please note this service is only available between 9am and 1pm.

What Can I Comment on?

Under statutory legislation, you should only make comments to the City of Edinburgh Council on those applications appearing in Section 1 – recently registered planning applications.

Planning is about the development and use of land and buildings so any comments made on applications should be relevant to this. These are called ‘material considerations’. If you submit comments which are non material they will not be taken into account. This can be difficult to understand so we have given you some examples below.

EXAMPLES

	Material		Non-Material
q	Contrary to Local Plan/Structure Plan	q	Devaluation of property
q	Appearance (design, materials, scale, etc.)	q	Loss of private view
q	Residential amenity e.g. noise, overshadowing	q	Business issues relating to the applicant
q	Traffic, parking or access problems	q	Possible fire hazard

Comments on Section 2 proposals should be made directly to the applicant and comments on section 6 applications should be made direct to that planning authority. There is no provision for the public to make comments on tree work and prior notifications and these details are for information only. This also applies to certificates of lawfulness where decisions are taken on the facts of the case in relation to planning law and public comments cannot be taken into account.

How Can I Comment?

We would appreciate it if your comments could be made online at [Planning and Building Standards Online Services](#). This means we can contact you quickly by email with any amendments and the final decision.

Alternatively you can send your comments by post to Planning and Building Standards, Business Unit G2, Waverley Court, 4 East Market Street, EDINBURGH EH8 8BG.

Your comments must be received within 21 days of the date of registration, neighbour notification or advertisement in the press, whichever is later. These periods are extended for public holidays. The Comments Due by Date appears in the bulletin although we cannot always guarantee it will include additional days for public holidays. Please contact the case officer if you need advice on this.

Anonymous comments will not be taken into account and we need your name and address as your representation will become part of the application record, which is a public document. **The comments you make may be made publicly available to view on the Council website.** Any comments that are racist will not be accepted and may be sent to the police for further investigation. Further advice on commenting on planning applications can be found on the Council website.

What Happens to my Comments?

You will receive an acknowledgement of your representation. You will also be informed of the decision.

Most applications are processed by delegated decision whereby planning officers decide applications under a publicly accountable process. If, however, there are more than six representations and these take an opposing view from the recommendation, then the application will be decided by your elected councillors on the Development Management Sub-Committee.
